About Captured Images

Captured Images LLC is the photographic partnership of Michael Mucci and Katrin Weiss, based in Southwest Florida. Their work explores wildlife, landscapes and cultural traditions around the world.

Photographic philosophy

All wildlife is photographed in the wild. Wildlife artwork is based on actual photographic encounters, not AI-generated subjects. Conservation and respect for nature guide their work.

Geographic reach

Michael has traveled to more than 70 countries. The portfolio includes East Africa, the Arctic, India, Mongolia, Patagonia, Europe and North America.

Notable subjects

Kenyan black leopards, Tsavo big tusker elephants, mountain gorillas, polar bears, Bengal tigers, Patagonian pumas, Kazakh eagle hunters and Samburu communities.
